

RENEWABLE ENERGY SYSTEMS LTD.

ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT)
(SCOTLAND) REGULATIONS 2017**

Notice is hereby given that Renewable Energy Systems Ltd. (RES), company registration number 1589961, with its Registered Office at Beaufort Court, Egg Farm Lane, Kings Langley, Hertfordshire WD4 8LR, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Killean Wind Farm, Kintyre, Argyll & Bute (Central Grid Reference 72668 44646). The installed capacity of the proposed generating station would be over 50MW comprising up to nine turbines with a maximum ground to blade tip height of 180 metres and has been subject to Environmental Impact Assessment (EIA). An EIA Report has been produced to accompany the application for consent.

RES has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

The Company has now submitted Additional Information ("AI") to Scottish Ministers, which comprises updated information relating to cumulative landscape and visual impact assessment.

Copies of the AI, the application and the EIA Report ('the information') are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening hours	Address
Campbeltown Library	Mon – Fri 09:30 – 19:00 Sat & Sun 09:30 – 14:00	Aqualibrium Kinloch Road Campbeltown PA28 6EH

The information can also be viewed on the application website at <https://www.killean-windfarm.co.uk/> or at <https://www.dpea.scotland.gov.uk/> under case reference WIN-130-11.

Any representations may be submitted by email to the DPEA via Claire.Murray2@scot.gov.uk quoting the relevant case reference; or by post to Planning and Environmental Appeals Division, Scottish Government, Ground Floor, Hadrian House, Callendar Business Park, Falkirk, FK1 1XR; identifying the proposal and specifying the grounds for representation.

All representations should be received not later than 2 November 2026 although Scottish Ministers may consider representations received after this date.

Any subsequent Additional Information which is submitted by or on behalf of RES will be subject to further public notice in this manner, and representations on such information will be accepted as per this notice.

All previous representations received in relation to application documents submitted regarding the proposed development remain valid. Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal with or without conditions attached; or
- Reject the proposal.

General Data Protection Regulations

The Scottish Government processes applications and representations under the Electricity Act 1989. To support transparency in decision making, the Scottish Government publishes online at www.energyconsents.scot.

A privacy notice is published on the Help page at www.energyconsents.scot. This explains how the Energy Consents Unit processes your personal information. If you have any concerns about how your personal data is handled, please email Econsents_admin@gov.scot or write to Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU.
